Right. Now I'd just like to make a few points about the plays we're going to see, partly because it might influence your choice of clothes to take with you!

The play we're seeing on Wednesday evening is a modern one, and we're going to the premiere (Q16), so it'll be quite a dressy occasion, though of course you don't have to dress formally. I gather it's rather a multimedia production, with amazing lighting effects and a soundtrack of electronic music, though unfortunately the playwright is ill and is unlikely to be able to attend.

On Thursday we're seeing a play that was first performed last year, when it was commissioned to mark a hundred years since the birth in the town of a well-known scientist (Q17). We're going to see a revival of that production, which aroused a lot of interest.

Friday's play will really make you think hard about what clothes to pack, as it'll be in the garden of a palace (Q18). It's a beautiful setting, but I'd better warn you, there won't be much protection from the wind.

On Saturday, we're going by coach to a theatre in another town, not far from Munich. This will be the opening of a drama festival, and the mayor and all the other dignitaries of the town will be attending (Q19). After the performance, the mayor is hosting a reception for all the audience, and there'll be a band playing traditional music of the region.

And after having a day off on Sunday, **our final play is on Monday, and it's in the stunning setting of the old Town Hall, which dates back to the 14th century (Q20)**. The performance marks the fifty years that the lead actor has been on stage, and the play is the one where he made his first professional appearance, all those years ago.

And the day after that, we'll be flying back home. Now have you got any questions before I ...

But what can you do and see on your visit today? Here are just a few highlights. We suggest you start with the visit to the copper mine. **Travel on converted mining trains and journey into the depths of the mountain along seams once worked by hundreds of miners (Q16)**. Watch out especially for the great pumping machines which rid the mine of water. But please be warned that, **like all mines, ours is very dark and closed in and we do say that children under five and also dogs should NOT be taken into the mine. (Q17)**

The next recommended visit is to the village school. **While looking round the classrooms, take a special look at our display of games, which is one of the largest in the world (Q18)**. And **it's recommended that you time your visit to coincide with a guided tour (Q19)**. This will give you the opportunity to ask lots of questions. Near the school is the beautiful old sailing ketch called 'The George'. You are welcome to board the boat and look round the cabins. Look out for the shop's wheel which was missing until only five years ago when it was dredged out of the silt by a local fisherman. We have no idea how it got there but it's been polished and proudly restored to its original place on the boat. **Please take care going down the ladders if you wish to visit the lower deck – we don't recommend you allow young children to use them. (Q20)**
