

Day 1 : Speaking about normal things like a pro!

#1 THING TO NEED TO KNOW TO SPEAK LIKE A PRO - TENSES

PAST TENSE

- PAST SIMPLE
 - S + V.2
 - I walked to school.
 - I went to school.
 - I missed the bus.

PRO TIPS : USED TO

- Used to + V.infinitive = เคย

Where do you currently live?

*I am currently living in an apartment alone. **However, I used to live** in a house with my parents. I decided to move to an apartment because my office **is located** in the city center.*

What do you study?

Ex. 1 I am studying in 10th grade at ABC school in a science and math program. I used to be really good at math when I was in primary and middle school, so I decided to focus on math and science In high school.

What is your favorite hobby?

What do you do to keep your body healthy?

Ex. 2 : Well I'm not studying at the moment. However, **I used to** study accounting and finance at university. And that's why I am working as an accountant now.

Ex. 3 : Well, I am not enrolled in any educational program at the moment. However, I am a nurse, so **I used to** study nursing at a university for 4 years.

Ex. **I used to** watch a lot of cartoons back when I was in high school. **Actually, I used to** skip classes and spend all day watching Japanese manga. **However**, now, because I have a full-time job, and my schedule is extremely packed. I would say that going to the cinema on weekends is my favorite thing to do in my free time.

Ex. Well, I consider myself a **somewhat** healthy person. I generally **follow a healthy diet** and work out at least 3 times a week. And I think the most important thing that I do is to get sufficient sleep each night. **Though**, I must say that in the past **I used to starve myself** because **I used to** think being healthy meant being thin.

FUTURE TENSE

| Future simple

S + will + V.infinitive = future ကံ့ၤၤ

- I will attend a university next year.

- I will graduate next year.
- The world will be better if people stop hating each other.

Future Continuous

S + will + be + v.ing - future แบบมั่นใจ พูดแล้วประโยค natural ขึ้น

- I will be attending a university next year.
- I will be graduating next year.

Pro Tips : Present Cont. กับอนาคต future ได้

S + is/am/are + V.ing.

S + is going to (gonna) + V.infinitive

What do you study?

Ex. 1 - I am studying in 10th grade at ABC school in a science and math program. Next year, I **will be attending** university. I hope to study medicine, so I **will have to** study really hard.

Where do you currently live?

I **am currently living** in a condominium alone. **However**, I **am planning to** move back to live with my parents next month because I can work from home, so **it will be** more cost-saving for me.

Do most people have a computer in your home country?

Yes, I would say so. From my experience, all of my friends own at least one computer. **However**, in the future, I don't think people **will own** computers anymore. **Instead**, they **will choose** to buy smartphones because

they can do pretty much everything that computers can.

How had computers changed the way we live?

In many ways, actually. For example, before computers, people **used to depend on** books for knowledge. And that's why old people **used to always complain** about back problems because they **used to have to carry** books to school every day. **However**, nowadays, with computers, people only don't need to depend on books anymore. **In fact, in the future**, I think that gadgets like smartphones and tablets **are going to totally replace** books and computers.

REMINDER Differences between present tense

PRESENT SIMPLE

S+V1 - *เรื่องปกติ*

- Usually, generally, normally, generally speaking, nowadays, in this day and age

Ex. Generally speaking, I **get up** at 6 am every morning.

PRESENT CONT

S+ is/am/are + V.ing - *กำลังเกิดขึ้น*

- currently, at the moment

Ex. **I'm studying finance at the moment**, but I used to think about majoring in arts two years ago when I was in high school.

PRESENT PERFECT

S + have/has + v.3 - ทำแล้วในอดีต ตอนนี้อยู่

- for/ since

Ex. I **have studied at** university for 4 years. Actually, I started off majoring in engineering, then I changed to nursing last year.

I've studied

PRO TIPS - USE PRESENT PERFECT CONT

เพื่อบอกทำอยู่นานแล้ว และจะทำต่อไป

- S + have/has + been + v.ing

Ex. I **have been working** as a lawyer for 10 years now. Though, before I graduated from law school, I used to work as a waitress.

#2 THING YOU NEED TO KNOW TO SOUND LIKE A PRO - DISCOURSE MARKERS (CONNECTORS)

USE "HOWEVER", "THOUGH" TO SEPARATE PAST FROM PRESENT

Do you like flowers?

Well, that's an interesting question. I would say yes. **However**, in the past, I used to be absolutely scared of flowers because I was allergic to them.

What is your hometown like?

Well, I am from Bangkok, so I would say that it's a very busy and chaotic city. Everywhere you go, you'll see people and cars. **However**, the city used to be very pleasant to live,

because there were more trees, parks, and green spaces.

Do you have a bike?

No, not at the moment, because it's actually quite dangerous to bike in Bangkok.

***However,** growing up in the countryside, I used to have this little bike for kids, and I used to bike everywhere because it was really safe there.*

USE "HOPEFULLY" AND "UNFORTUNATELY" WHEN YOU TALK ABOUT FUTURE

What kind of clothes do you usually wear?

*Well, it depends on the day. Generally, I wear more casual clothes, like a pair of jeans with a pair of sneakers on normal days. However, I have to wear professional clothes to work, **which is** quite uncomfortable. **Hopefully,** my office will change its policy about costumes in the future.*

What do teenagers do in the evening in your country?

Well, it depends on people. However, I would say that most of them stay at home and do their homework.

***Hopefully,** things will change in the future because I believe that teenagers should have more time to relax.*

Do you prefer going out on your own or with your friends?

Personally, I prefer going out with friends because I consider myself an extrovert person. Unfortunately, I don't think I'll have the opportunity to spend time with my friends soon due to the current pandemic.

IT'S YOUR TURN!!!!

WHAT IS YOUR HOBBY?

REMEMBER TO
USE PAST/
PRESENT/
HOWEVER

YOUR ANSWER

Well, I used to like painting in my free time when I was younger because I used to be an artsy person. However, at the moment, because I have a full-time job, I just read before I go to bed. I usually read about finance and also some fictions. I think that's my hobby.

DO YOU OFTEN USE THE INTERNET?

REMEMBER TO USE
PAST/ PRESENT/
HOWEVER

When I was younger, I used to hardly use the internet because my parents used to think the internet was a bad influence. However, currently, I work as a marketing manager, so

I have to use the internet on a daily basis because I have to communicate with my teammates as well as my clients.

WHAT TYPE OF MUSIC DO YOU LIKE?

REMEMBER TO USE PAST/
PRESENT/ HOWEVER

YOUR ANSWER 🖋️

It depends because when I was younger, I used to like listening to Thai songs because Thai was the only language that I used to be able to speak. However, currently, because I understand English, I prefer international music.

DO YOU THINK INTERNATIONAL NEWS IS IMPORTANT?

REMEMBER TO USE PAST/
FUTURE/ HOPEFULLY

YOUR ANSWER 🖋️

I think that in the past international news was not important because people used to be interested only in news in their country. Hopefully I think that international news will be more important in the future because the world is more and more connected.

**DO YOU THINK IT IS
IMPORTANT TO ENCOURAGE
CHILDREN TO READ?**

YOUR ANSWER 📝

- gain new knowledge
- Crucial/ essential/ vital

REMEMBER TO USE PAST/
FUTURE/ HOPEFULLY/
UNFORTUNATELY

YOUR ANSWER 📝

Yes it is absolutely crucial for children to read because they can gain new knowledge from reading. In the future unfortunately I think that children will not read anymore because they **will be addicted to** smart phones and tablets.
