SAMPLE ANSWER

TOPIC : Work and Study

CAN YOU DESCRIBE YOUR JOB TO ME?

I work as a marketing manager, so generally I take care of anything that is related to marketing in my department, whether it be marketing campaigns on social media, or for TV. I generally help my subordinates with their problems, and whenever they have any questions, I have to answer them. Yesterday, however, instead of asking me first, my subordinate decided to call the client, so I had to fix that problem for him.

HOW LONG HAVE YOU BEEN DOING IT?

So I've been a marketing manager for five years now. However, I used to study finance at university, so instead of pursuing a career in finance, I decided to start a career in marketing because I think that marketing is less boring, which turned out to be true.

WHAT IS YOUR WORKING DAY ROUTINE?

It depends on the day, but generally I would wake up, take a shower, and if I am stressed, instead of eating breakfast, I would meditate for 10 minutes before beginning my work.

WHAT ARE YOUR PLANS FOR THE FUTURE

Well, in the future, as for my education, assuming that I pass this English exam, I plan to pursue my master's degree in the UK in marketing because, in terms of my career, I plan to come back to Thailand to take on a more challenging role, such as brand director or marketing director, because in the future, instead of working for many brands at the same time, I would like to focus on working on the marketing of one brand.
