

Speaking Part 1 Summary

4 Essential Patterns

★ Do you like traveling by boat?

I used to... However, I....

Well, I used to like traveling by boat a lot; however, now I get sea sick very easily, so not anymore.

★ Currently... However, in the future, I...

Currently, I don't really like traveling by boat because I am scared of the sea, the ocean, and water in general; however, in the future, I would definitely get over this fear because I really like traveling as a person.

★ Many things actually.... Firstly, Secondly, and most importantly /whether it be...

Definitely, I love traveling by boat for many reasons. Actually, firstly, I love the sea; secondly, I love seeing animals; and, most importantly, I like to enjoy the view when I travel by boat.

Definitely, I love traveling by boat for many reasons, actually, whether it be because I can get to see the sea animals or because I can enjoy the view when I travel by boat.

★ Yes/no (definitely, not really), because, for example...

Definitely, I love traveling by boat because, usually, I would get to see the animals. For example, last time I went to Australia, I only traveled by boat because I wanted to see the sea animals there.

Sample Questions & Answers

★ **Where do you live in your country?**

Well, I used to live in Australia; however, I currently live in Bangkok because my parents moved here two years ago.

★ **Is it an interesting place to live ลิฟ? Leave ลิฟ**

I used to think that it wasn't an interesting place to live; however, now I think it's getting so much cooler because there are a lot of interesting places to go, especially shopping malls.

★ **How often do you take photographs?**

Right now, not really, I don't take photographs; however, in the future, I think that I will take a lot more photographs because I would like to keep more memories.

★ **What do you do together with your family?**

Well, we do so many things together, actually. Firstly, we like to cook together, and secondly, we like to go out together. For example, last week, we went to a shopping mall together; it was really fun.

★ **If you could change to another major, what would it be?**

Well, I think that I would probably change to a business major because I have been very interested in business lately. For example, last week, I spent the entire week reading articles on business, so, yeah, I would say that I would probably change to business.

★ **What is the most popular sport in your country?**

Well, I think that it used to be football in the past; however, now I think that volleyball is probably more popular because a lot more people are into volleyball and other sports, like tennis, so, yeah, I think that's about it.

★ **How do people in your country stay fit?**

Well, I think that depends on the people, so, you know, whether it be by going to the gym or by following a healthy diet, I would say that it really depends on the people.

★ **Are there any traditional clothes in your country?**

Oh, definitely, whether it be from the north of Thailand or from the southern part of Thailand, so, yeah, it really depends because Thailand is a very diverse country, I would say.

Your Turn!

★ **What's the best season of the whole year?**

★ **What do people normally do in that season?**

- ★ Where do you usually purchase your clothes?
- ★ Do you prefer to take pictures of people or of scenery?
- ★ What are the advantages of travelling by boat?
