

Favorite shop

Describe your favorite shop.

You should say:

where it is

what things it sells

what sort of people are its customers

and explain why you like the shop so much.

Part 1

- Generally speaking, I am a shopaholic/ I like to walk around shopping malls to do some window shopping
 - A couple of shops that I really like
 - However, today, I decided that I am going to talk about a shop called Boots

Part 2

- what? Drugstore chain that sells pharmaceutical products/ healthcare products, whether it be skincare or basic medicines like paracetamol or supplement
- Where? Because it is a chain, it can be found, it is located in major shopping malls, not only in Bangkok but also in smaller provinces as well
- When? Generally, people would go there whenever they want to find some drugs/ pills/ medicines for their sickness. However, personally, I usually go there to shop for healthcare products especially my moisturizers
- How? It's very convenient because - shopping malls, especially in Bangkok - accessible by public transport

Part 3

- Moving on to the reason why I like this shop so much
 - The first reason that comes to my mind
 - The store offers a variety of products, whether you are looking affordable products or luxury products
 - But most importantly, you can be sure that the products there are authentic
 - Especially, when it comes to you health
 - Moreover, I particularly like the fact that there are pharmacists in every store

Part 4

- If I have to buy medicines or if I get sick, I will definitely go boots, for sure
- Not only the products there are affordable, there are also pharmacists and health professionals there to give advice

Describe your favorite shop.

You should say:

where it is

what things it sells

what sort of people are its customers

and explain why you like the shop so much.

Part 1

- Generally speaking - coffee enthusiast
 - I have been to
 - In Thailand or overseas
 - Named/called

Part 2

- what - cafe that sells all types of coffee from all over the world
- Where - next to the Emporium
 - Business district
- Generally, the customers - people who work in the area
 - However, what people don't know is that this is the only store that imports coffee beans from South America.
 - It's a specific blend, but unfortunately, I don't recall its name but I remember its aroma well
 - whenever I have free time

Part 3

- Moving on to the reason why I believe that this is the best shop for me
 - First - offers a variety of coffee blends - cannot find anywhere else
 - Secondly - customer service is second to one
 - Example - spilled my coffee on their sofa but employees were nice and polite and explained to me that I had nothing to worry about...even though I knew that it was my fault
 - But importantly - vibe - cool/ relaxing/ chilling
 - I particularly love the aroma of the coffee in the atmosphere of the shop
 - People who love coffee/ people who are passionate about coffee know well what I am talking about

Part 4

- Although I am super busy right now, I will make sure to make time to go back to the shop because I miss having good quality coffee.
