

Market

Describe an open-air market or a street market that enjoyed visiting

- where is the market
- What it sells
- How big the market is

Explain why you enjoyed visiting this market

Part 1

- Generally speaking, there are many open-air markets in my country
- Whether it be...or...
- Therefore, — chatchujak

part 2

- situated in Bangkok
- Vibrant - foreigners / local people
- However, it's not located in the city center, so it generally takes 30 minutes by the sky train
- It sells everything, **ranging from clothes to food**
- It's very crowded because it is **well known for** selling everything and the products are extremely **affordable**

part 3

- reasons why I enjoyed

- Cheap
 - Generally, clothes cost 3 times less than the price in the shopping malls in the city center
- but most importantly, it is a great place to **hang out with** friends
 - Food stands, whether it be Thai food or international dishes

part 4

- **even though** my schedule is very **chaotic**, I want to **make time** to go there
- New pieces of clothing
- Moreover, I would like to **catch up with** my friends
