

Talk about activity

Describe something you do to relax.

You should say:

- what activity you do
- when and where you like to do the activity
- why you find it relaxing

and explain whether other people might find it relaxing too.

Describe a skill (for example, sports, dancing, cooking) you have learned. You should say:

- which skill you have learned
- why you learned it
- how you learned it

and explain how difficult or easy it was to become good at the skill.

Describe a habit that annoys you a lot.

You should say:

- what the habit is
- who does it
- why it is annoying

and explain why people should stop doing it.

Part 1 – Useful phrases

- Generally speaking, I work as a doctor, so I am under a lot of stress. For this reason, there are many activities that I do on a regular basis to keep myself happy, whether it be....or....
- Personally, as a student, I like to always keep learning new knowledge. That's why I always seek new knowledge. Therefore, today, I am going to talk about when.....

Part 2 – Useful phrases

- To start off, listening to music involves listening to the lyrics and the melody of the song.
- I always listen to music whenever I feel stressed.
- For instance, I used to listen to music before an important presentation.
- I find it therapeutic and soothing.
- Moreover, I can listen to music anywhere, whether it be at home or at work.
- As long as I don't sing out loud, nobody can hear me, which is great.

Part 3 – Useful phrases

- Moving on to why I think music is extremely unwinding
 - Well, first, because it can distract you from your worries and problems...
 - I, for example, always felt like I was in another world when I listened to music during stressful situations.
 - Furthermore, another benefit of music is that it can be done anywhere and it doesn't cost any money.
 - compared to going to the cinema, where you have to check the movie schedule beforehand, then you have to waste time going to the cinema. Not to mention, the price of tickets.

Part 4 – Useful phrases

- If people ask me if I recommend this habit, I would say yes because
 - music is not only great for unwinding, but it is also an excellent way to learn a new language, especially if you listen to international music.
