

A habit that annoys you

Describe a habit that annoys you

You should say :

- what the habit is
- Why does it
- Why is it annoying

And explain why people should stop doing it.

Part 1

Generally speaking, I am a healthy person and I like to always **keep myself healthy**, whether it be by following a healthy diet or exercising regularly.

- Therefore, smoking / when people smoke around me

Part 2

- smoking **involves** burning a cigarette and exhaling the smoke into the air
- Normally, people can smoke anywhere, but in some places, there are some **restrictions** because there is usually an area for people to smoke
 - For example, at the hospital,
- for heavy smokers, they can smoke **up to** 10 times per day

Part 3

- moving on to the reason why I annoys me
 - Smelly

- People don't **respect the rules**
 - Even though there are places for smoking, many people don't respect the rules
- unhealthy - it can cause lung cancer to **secondhand smokers**
 - For example, in Bangkok, people not only have to **suffer from** pollution, but also from smoke

Part 4

- If you ask me why I would like people to stop smoking
 - First and foremost, it's **harmful** to people's health
- if people really want to smoke, I actually **don't mind...**
 - **As long as** they smoke in the **reserved** area for smoking
