

Event

Describe a trip you have taken recently.

You should say:

- where you went
- who went with you
- why you went there

and describe things you saw and did on your trip.

Part 1

- I would consider myself a **traveler**
- Whether it be in Thailand or overseas
- However, Phuket

Part 2

- Southern part of Thailand
- I had been there many times before this trip
- Decided to **explore** because I had never visited the city
- Most of the time when we went there, I always **went straight to** the beaches

Part 3

- first - **explore** the cultural scene

- **Historical architecture**
- **Stunned by the picturesque buildings**
- but most importantly - taste southern food
 - The southern part of Thailand is globally known for its unique cuisine
 - Many restaurants - they were all amazing

Part 4

- looking back, I am glad I took this trip
- **Thankful for the kindness** of my friends for inviting
- I had a chance to **discover** the side of Phuket that I had never seen before
