SOCIETY

LAW

ECONOMY / ENVIRONMENT

PERSONAL

TECHNOLOGY

Society (n.)

Some feel that cities should be designed to be beautiful while others feel their functionality is more important.

Discuss both sides and give your own opinion.

- Society can **reap great benefits** from the functional design of the city.
- A beautiful landscape can **bring about/ result in/ contribute** to a tourism **boom**.
- Functional designs can **accelerate** the growth of a city.
- Excellent urban design can lead cities to **flourish/ thrive**.
- One of the **perks** of a beautiful city design is that people can **appreciate** an **excellent** landscape.

social problems

A rise in the standard of living in a country often only seems to benefit cities rather than rural areas.
What problems can this cause?
How might these problems be reduced?

- The **rise** of poverty can **lead to/ cause/ contribute to/ bring about** social **issues/ problems**.
- The development of major cities can **aggravate/ worsen/ exacerbate** equality problems in rural areas.
- The focus on developing major cities can **obstruct** the development of smaller cities.
- The **prevalence/ widespread** of poverty is a **concerning** issue.

social harmony (n.)

Some people say patriotism causes problems and is negative overall. Others feel that it is beneficial for society at large.
Do the advantages of patriotism outweigh its disadvantages?

- Patriotism can bring about **social harmony/ solidarity/ unity**.
- Patriotism can **prevent** society **from** becoming more diverse.
- Patriotism **plays a crucial/ important/fundamental role in** consolidating a nation.
- Excessive patriotism can **pose challenges/ problems** in terms of **societal diversity**.

law (n.)

Some feel that cities should be designed to be beautiful while others feel their functionality is more important.

Discuss both sides and give your own opinion.

- Functional design can lead people to **comply with/ abide by** the law.
- If the city is equipped with surveillance cameras, this can prevent people from **violating** the laws.
- Badly designed city layouts can bring about **detrimental/ negative/ pessimistic results/ consequences/ repercussions** for citizens in the city.

Economy (n.)

Some people say patriotism causes problems and is negative overall. Others feel that it is beneficial for society at large. Do the advantages of patriotism outweigh its disadvantages?

- A tourism boom can contribute to **economic development/ prosperity**.
- Nationalist policies can **stimulate/ foster the growth of the economy**.
- Nationalist policies can **solve/ fix/ manage/ tackle economic problems**.
- Patriotism can lead to **positive, optimistic, promising impacts on society**.

Environment (n.)

A rise in the standard of living in a country often only seems to benefit cities rather than rural areas.

What problems can this cause?

How might these problems be reduced?

- Concentrating on big cities can bring about **environmental/ ecological damage and devastation** in these cities.
- The government can **harness/ make use of** the **abundant** natural resources in rural cities to stimulate a tourism boom.
- The importance of the unpolluted environment of smaller cities is not **negligible**.
(should not be **overlooked, ignored, or dismissed**)
- Natural space in big cities should be **conserved/ protected** in order to **restore** the forests.
- Some environmental damage is **irreparable/ irreversible**, so **sustainable development** is considerably important.

Personal (adj.)

Educating young people is naturally important. However, some think governments ought to invest more education for adults in need.
To what extent do you agree or disagree?

- Adults who **lacked** education during their younger years need to **pursue higher/tertiary education** in order to **improve/ better/ ameliorate** their current living conditions.
- Everyone **deserves** an equal opportunity to **receive a top-notch education** for their **individual benefits**.
- The government should not **dismiss/ neglect** the significance of adult education.
- Education can **allow/ enable** a person **to thrive professionally and personally**.

health/ wellbeing (n.)

A rise in the standard of living in a country often only seems to benefit cities rather than rural areas.
What problems can this cause?
How might these problems be reduced?

- Pollution can cause citizens to **suffer from** respiratory **diseases/ illnesses**.
- **Hospital facilities** should be **established** in rural areas in order to increase **access to healthcare** for the local population.
- **Individuals** should **incorporate** a balanced diet **into** their routine to **promote** better health.
- There is a **correlation** between obesity and food consumption.
- A healthy diet is a **constituent** of excellent health.

professional (adj.)

- Everyone deserves a chance to receive a tertiary education and **realize/fulfill** their **professional aspirations/ goals**.
- Getting a higher education will enable individuals who work in **labor-intensive jobs** to reduce their workload.
- Employees should comply with the rules of their companies/ enterprises **unless** they are **fired/ laid off**.
